Sonic and the others then leave and head to Green Hill Zone, where they head into the Blue Forest. Sonic and Tails get into a fight and Sonic loses his tail. While the others head back, Sonic enters the daycare that Tails owns. He goes on and helps Sonic's brother and sister, who are being chased by the security robots that are protecting the room. They fight some of the robots and are almost caught, until Sonic crashes through a window. The robots begin chasing him, but he manages to reach the security center before they catch him. The security center's computer fails and they are unable to open the doors, so they call the security drones. The drones begin chasing Sonic and his friends. They soon crash through a wall, and Sonic climbs up to the top of a building. The security drones soon catch up, so Sonic rides the drone's exhaust and escapes it. A

few days later, the robots have repaired the security center and are patrolling Green Hill Zone again. Sonic then enters the racing circuits and loses to the drones, so he goes back to the daycare and helps his brother and sister again. Sonic then finds out that Eggman has taken control of the security center. He battles Eggman and wins the battle. Eggman then teleports them all to the dream world in order to fulfill his plan. After Sonic and his friends arrive in the dream world, they are welcomed by Nighteye. The bad guys turn on them, but Sonic manages to knock them away. He then brings his friends to the Edge of the World Zone and they race there. They race against Red the robot and Nighteye races against Eggman. They race and they both win, and soon, they leave. The bad guys then teleport them to the Daydream Realm, and Sonic and his friends head out of the Edge of the World Zone to find Emerald Hill Zone.
